

Hameln 09/2017

Product change notification PCN290917ACMarking

Product identification	AC3225/4, AC5032/2, AC5032/4, AC-6035/2, AC6035/4, AC7050/2, AC7050/4, AC/1045/2, AC1045/4
Type of change	Product appearance change.
Reason for change	Improvement of production efficiency and maintain production cost against material cost increase.
Description of change	<p>The underlayer dark grey silk screen printing process on the AC-series crystals prior laser marking will be discontinued. The entire AC-product family will be laser marked on the ceramic material directly.</p> <p>The above change is only applicable to the products cosmetic appearance while the dimensional, electrical parameters and raw materials used remain unchanged.</p> <p style="text-align: center;"> Old Marking New marking </p> 
Implementation date of change	Due to existing product depletion rates, there will be a transition period that both product marking will be shipped until all existing material are depleted. The new product marking as shown above will be effective for order received from Nov 1st, 2017.
