-----------------------	---

Description of Change	As part of TT electronics business strategy, BI Technologies Fixed Resistor Factored product line currently ordered and shipped from Fullerton, California will move to IRC-AFD in Corpus Christi, Texas beginning June 3 rd , 2013. With this move, the form, fit and function will not change of the product, only ordering location. All orders submitted to BI Technologies prior to June 3 rd , 2013, will be serviced by BI Technologies. BI Technologies will provide answers to all warranty and quality questions if applicable.
Reason for Change	Align all Fixed Resistor products to ship from a single facility within the Fixed Resistor Business Unit.
Implementation Plan	Orders will be accepted at BI-Fullerton through June 2, 2013. IRC will begin accepting orders on June 3, 2013
Recommendations	For further questions, please feel free to contact your current representative with BI Technologies or TT electronics Sales Team.
