Re: PLANNED EOL: KLDX-SMT3-0202-ATR and KLDX-SMT3-0202-BTR

Kycon, Inc. regrets to announce that due to worn tooling the part numbers noted above will be discontinued. We will offer a last time buy through 12/1/15.

Unfortunately Kycon will not offer an alternative part number. However, we found the following Switchcraft parts to be good replacements.

<u>Kycon Part Number</u>	<u>Switchcraft Part Number</u>
KLDX-SMT3-0202-ATR	RASM722PX
KLDX-SMT3-0202-BTR	RASM712PX
