

Product / Process Change Notification

1. ID No.: 2016-01		2. Date of announcement: 26.02.2016	
3. Product / product group: Aluminum Electrolytic Capacitor - Screw terminal with diameter 35.7mm	Old ordering code: B41456, B41458, B41554, B41550, B41570, B41560, B41580, B43455, B43457, B43564, B43584	New ordering code: Not applicable	Customer part number: Not applicable
4. Description of change: Supply of Screw Terminal aluminium electrolytic capacitors with diameter 35,7mm will be discontinued for distribution. For a detailed list of affected products please see appendix A.			
5. Effect on the product or for the customer (benefit, quality, specification, lead time): No EPCOS / TDK substitute types available. No effect on the electrical performance, reliability and mechanical dimension of the products until end of production.			
6. Quality assurance measures / risk assessment: No change until end of production.			
7. Scheduled date of change: Deadline for last order: 31.05.2016. Deadline for last shipment: 30.09.2016.			
8. Estimated date of first delivery of changed product: Not applicable If EPCOS does not receive notification to the contrary within a period of 10 weeks, EPCOS assumes that the customer agrees to the change. For an interim period we cannot rule out that old as well as new products will be shipped.
